

A New Beginning: MAS Boston & Salaam Foundation Merger Complete

September 2025

Dear Beloved Community,

Alhamdulillah, we are excited to share wonderful news about the next phase of our journey together. A month ago, we announced that Salaam Foundation would be merging into MAS Boston—a powerful step towards building a dynamic, vibrant, and united Muslim community in the South Shore.

Today, we are humbled and grateful to let you know that the merger is **now complete**. Our operations have officially come together, and we have secured a new property that will serve as the home of the **MAS Salaam Center in Braintree, MA**.

What This Means for Our Community

The MAS Salaam Center will be a vibrant hub for:

- Prayer and spiritual growth
- Islamic learning and study circles
- Youth development and leadership programs
- Family-friendly community events and outreach initiatives
- A welcoming space for neighbors to connect in faith and service

Through this union, the heart of the Salaam Foundation lives on, strengthened by the organizational depth, decades of experience, and expansive vision of MAS Boston. Together, we are building something lasting and impactful for future generations.

What's Next

In the coming weeks, you can look forward to:

- Updates on the renovation and development of the new MAS Salaam Center property
- Opportunities to get involved through volunteering, events, and programs

- Continued community programming & gatherings to celebrate this milestone together

One Website, One Family

As part of our consolidation, we are also uniting our online presence. All information about MAS Boston and the new MAS Salaam Center will now be available on the MAS Boston website. This will be your single destination to stay connected, find program details, and learn about upcoming events.

A Heartfelt Thank You

This historic achievement would not have been possible without your prayers, generosity, and involvement. Your support has carried us to this moment, and we invite you to continue walking with us as we bring the MAS Salaam Center to life.

May Allah (SWT) bless this new beginning, strengthen our unity, and make this center a source of guidance, joy, and service for generations to come.

With gratitude and excitement,

MAS Salaam Center Leadership
